

Pilley Community Broadband Scheme

* Battramsley Residents *

Broadband speed in Battramsley is slow. A group of residents have been working with BT to design a scheme to improve this. We now have a final scheme that will bring high speed broadband to all areas of Battramsley. The anticipated speeds* are shown below.

When will this be implemented?

This will be completed by the end of **2016**.

What will this cost?

This scheme requires **£30,000** of funding.

How can you help?

- What is superfast BB worth to you - an average contribution of £1000 from the households covered will raise the needed finance - do not delay in pledging today what you can afford.
- Speak to your neighbours and spread the word – this will only happen if many people get involved.

For Pledges and more Information:

- Email: info@pilleybroadband.org
- Tel: 07736 285488 / 01590 673772
- Website: www.pilleybroadband.org

What will happen if we don't do this?

Hampshire County Council have no plans for the expansion of superfast broadband to Battramsley. HCC will run a voucher scheme to apply for satellite internet installation for those with sub-2Mbps speeds.

*Disclaimer: Speeds shown are for guidance only based on estimates by OpenReach or by distance from a fibre enabled cabinet and may not reflect the final speed achieved at a specific property.

Pledge Form

Please complete the form below and return to:

Sunnycroft, Pilley Street, Pilley, SO41 5QG – Sunnycroft is directly opposite Boldre War Memorial Hall

Or pledge via:

Email: info@pilleybroadband.org

Tel: 07736 285488 / 01590 673772

Individual pledge values will not be published
